VISION WEEK RECAP

Vision Week on CTN was a powerful time of reflection on the past — 43 years of dynamic ministry and outreach ... while looking ahead to our fantastic future!

Over 1,100 calls came in during the week for prayer, to give praise reports of healings — and 36 people received Jesus as their Lord and Savior!

So much powerful teaching and prayer went forth through our special guests and hosts.

We are thankful for God's provision throughout the week ... and especially 36 lives now added to the family of God.

And special thanks to you for being part of the CTN family! Look how God is using you to build His Kingdom on this earth!

CTN MINISTRY HIGHLIGHT: *REAL LIFE*

CTN's nationally produced program, *Real Life*, was birthed out of a dream that our late founder, Bob D'Andrea, had in 2014.

In that dream, God told him to tell the stories of men and women who faced hard decisions following an unplanned, unwanted, or crisis pregnancy. Bob knew this dream was a mandate from the Lord! So, he set about being obedient to it ... to SAVE the lives of unborn babies.

Each program follows the story of a family or individual faced with difficult decisions regarding an unplanned, unwanted, or crisis pregnancy. The good, the bad ... and everything in between. You also hear from experts on their point of view on the issues at hand.

God uses the testimonies of what people have walked through to bring others to a place of healing. *Real Life* always ends with biblical insight and an opportunity for the viewer to respond.

We are now airing Season 4 and have produced 47 beautiful stories over the past few years of God's healing power. If you would like to see past episodes, you can go to: **Reallifetv.life**.

And be sure to check your local listings for when current episodes air on CTN.

If you or someone you know is facing a difficult decision with their pregnancy, please call H3helpline at 1-866-721-7881 or visit h3helpline.org.

MAY WE INTRODUCE ... LINDA HAUPT

Meet our newest General Manager of our station in Charleston, SC (WLCN), Linda Haupt!

Linda has been with CTN for more than 7 years, so she brings a dedicated knowledge and understanding of CTN and our goals to her new leadership role. And so far, it's going GREAT!

We asked Linda to share a few things about herself. (You are going to be surprised by this first one!)

- *In her spare time, she is involved with pirate role playing, as well as Civil War re-enactments. She even creates all her own costumes!*
- *She is an Air Force brat. Linda has a degree in Psychology and Counseling/Human Services.*

- *Her favorite food is Mexican, but she is also partial to southern fried "anything," she says.*

Linda has a heart and passion to reach people in and around the Charleston area with the love of Jesus. To encourage local pastors. To help people see that CTN not only proclaims Jesus over the airwaves but is a resource hub for people dealing with all kinds of challenges.

She believes it is important for CTN to be connected and have a presence in local city and state government where she has built healthy relationships with local officials.

We love and appreciate all the hard work that Linda has put into her station and know that God is going to do great things in and around the Charleston area for His glory!

SHARING CHRIST IN TUPELO

The birthplace of Elvis, Tupelo, Mississippi, is a quiet little town about 100 miles southeast of Memphis.

It's also home to our station, WEPH, broadcasting God's Truth since 2010.

The station manager Tracey Morton claims that the "friendliest people in the world live in Tupelo."

However, Tupelo is also a financially struggling community. This is one more reason why the ministry of WEPH is so important.

To bring light and hope to this area, WEPH will host a community event this summer to help address those needs.

Keep Tracey and our station in your prayers as they share the love of Christ in Tupelo.

REACHING FORT MOORE

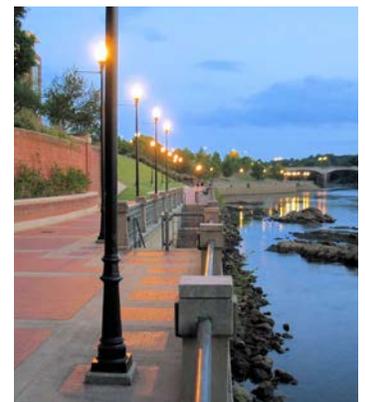

Columbus, GA sits on the banks of the Chattahoochee River, right on the Alabama-Georgia state line.

It is also the home of Fort Moore Military Installation, formerly known as Fort Benning — where thousands of soldiers come to complete their Army basic training.

Our station manager for WYBU is Julia Thompson. She & her husband Alex produce our very popular fishing show *Tightline*, which is hosted by professional fisherman Royce Railey.

WYBU will be hosting a *Community Outreach Event* this August to show appreciation and support to the thousands of soldiers stationed at Fort Moore, and to the Chattahoochee Valley Community who keep WYBU going strong!

Thanks for empowering this kind of dynamic face-to-face outreach ministry! Please pray with us that many lives will be impacted.

HOPE FOR VEGAS!

Las Vegas might be known for its casinos and gambling ... but this isn't all that is going on there!

There is also a great deal of ministry happening, and lives are being eternally changed as a result.

Our station KEEN is broadcasting the message of Christ into this community. Our station manager Javier Moreno works with Pastor Aaron Pino on a great show called *Las Vegas United*, which can be viewed using our Roku app.

KEEN is hosting an outreach event this September: *Hope for Vegas, a Night of Worship & Miracles*.

This station seeks to reach the **38 million** visitors and **600,000** people who live in the Las Vegas area for the glory of God!

It's called Streaming, and it *dominates* the TV world.
