REACHING THE WORLD FOR CHRIST

MATTHEW 28:19

HAPPY 1ST ANNIVERSARY, JEN MALLAN!

Come Home with Jen Mallan celebrated its one-year anniversary in July ... and we are so thankful for the impact of this Holy Spirit-led program!

The mission of the program is to awaken an army for the Kingdom of God and equip them for the billion-soul harvest God is calling in, by ensuring that every believer has a personal, intimate relationship with Jesus and an empowering relationship with Holy Spirit.

And what a refreshing way she has created to share the Gospel — over a cup of coffee and a wonderful time of connection from her living room to every viewer in her global audience!

Every show has uniquely communicated the heart and purposes of God.

A recent guest says, “I was impressed with how professionally the filming was conducted, while at the same time retaining an atmosphere saturated by the sweet, Holy Spirit ... I am a blessed woman to have been let in on what God is doing through this anointed ministry program.”

And Jen, a viewer, shares, “*Come Home is one of the most heartwarming programs ... filled with encouragement, hope, faith, and testimonies ... it is very welcoming to the point*

Come

THE GREAT AWAKENING ... BRINGING REVIVAL TO AMERICA!

Airing 6 nights a week since 2011, *The Great Awakening with Rodney Howard-Browne* has impacted the lives and hearts of many!

CTN's late president and founder Bob D'Andrea and Pastor Rodney had a kindred spirit when it came to winning souls. They both believed it was of utmost importance!

Bob understood Proverbs 11:30, “The fruit of the righteous is a tree of life, And he who wins souls is wise.”

And Pastor Rodney's whole ministry focuses on winning souls and training others to do the same.

Drs. Rodney and Adonica Howard-Browne have conducted revivals and soul-winning efforts throughout eighty-five

nations with the *300 City Tour*, *Good News* campaigns, *R.M.I. Revivals*, *The Great Awakening Tours*, and *The Stand*.

More than 30,065,000 precious people have come to Christ and tens of thousands of believers have been revived and mobilized to preach the Gospel of Jesus Christ!

We are so thankful that God has given us a deep-rooted friendship and partnership with this amazing soul-winning ministry.

FAITH, FISHING, AND FUN!

This summer's Outdoor & Fishing Expo in Columbus, Georgia brought out a crowd of around 300, even in the midst of the Georgia heat!

Our station WYBU produces our *TightLine Fishing TV* program, so it was great to connect with so many in the community and military who share a love of the outdoors.

TightLine Fishing TV host Royce Railey and *Spiritual Outdoor Adventures* host Jimmy Sites engaged the crowd with their outdoor visual storytelling and sharing of the Gospel.

New community partnerships were forged between numerous veteran's organizations, youth organizations, local churches, and individuals.

A special *thank you* goes out to: the Auburn University Bass Fishing Team, the Georgia College and State University Bass Fishing Team; and to U.S. Army Veterans, turned Professional Anglers, Mrs. Torica Whitty and Mr. Eddie Kidd for joining us for a great day of all things Faith, Fishing, and fun!

We can't wait to do it again next year!!

INTRODUCING: RIP KENLEY

Get to know Rip Kenley!

Husband, father, General Manager, and massive Alabama football fan! He has been the General Manager at our station in Macon, Georgia, since 2004.

Rip graduated from Evangel University with a broadcasting degree. Before taking on his leadership role with us, he was a Computer Science teacher and girls' athletics coach at a Christian school in Birmingham, Alabama.

He's been married to his wonderful wife, Mona, for 22 years and together, they are raising two sons, Tripp (16) and Jedd (13), who came to them through God's miracle of adoption.

Rip is a big Alabama football fan in the heart of Georgia Bulldog country.

Another interesting fact about Rip: as a photojournalist, he got to meet and interview Civil Rights icon, Rosa Parks.

Thanks, Rip Kenley for all you do!

CTNI: 10 YEARS ... AND GOING STRONG

We are very happy to celebrate the 10th anniversary of CTNi's partnership with Pastor Pablo and Wanda Rolon.

God has grown this ministry over time, and today, we reach 60 Spanish speaking countries across the world!

CTNi's directors, Pastor Wanda and Pastor Pablo Rolon are dedicated servants of the Lord. They long to see Christ proclaimed to all people, and they are faithfully doing their part to make it happen!

Their first venture in Puerto Rico was a cafeteria on the ground floor of their home. Wanda and Pablo literally gave their home to God to be a church with a starting congregation of 7. They outgrew the house and went to a tent. A little over a decade later, they had a building that seats 2,500 and in the year 2000, they moved into a space that could accommodate 5,000.

Together, Wanda and Pablo founded the *Senda Broadcasting Network* in the late 90s, which became the headquarters for CTNi in 2013.

Their work for Christ is expansive! And we know they will not stop. Honoring God, lifting His name high ... and seeing souls saved for eternity drive the multi-faceted ministry of this dynamic couple.

We are grateful and blessed for their leadership in this important arm of CTN's ministry.

And we are thankful for friends, like you, who make it possible for us to proclaim Jesus across Spanish-speaking countries!

VROOM, VROOM! CAR SHOW ZIPS INTO TOWN!

Our inaugural car show and outreach, hosted by WCLF in June in Pinellas Park, Florida, was a roaring success!

Around 600 people stopped by to see 65 vintage cars and visit 25 booths set up by various members of the community.

Audiences were "wow'd" by a Christian youth choir, police dog demonstrations, giveaways, a guest appearance by Jimmy Sites, host of *Spiritual Outdoor Adventures*, and so much more!

We also set up a prayer booth manned by our hosts from ***You & Me***. It was one of the most popular booths of the day!

Plans are already in the works for a "bigger and better" car show next year, to be held June 1, 2024!

TRANSFORMING LIVES LUNCHEON

Mental illness and homelessness in Tupelo, MS, were the main topics of a luncheon hosted by CTN's WEPH.

Local city officials, area pastors, and Christian business owners were invited to an open discussion, led by **CTN President Yolanda Morris**, and her husband, **Brian Morris**, CTN Vice President.

THE GOAL: to present CTN's desire to address the major problems impacting the community, as well as be a part of the solution.

One of the highlights of the day was hearing from **Maurie McKena**, an Investigator with the Lee County Sheriff's Department. He stated that 50% of the calls that come into his office are mental illness cases, whether a crime has been committed, a domestic dispute, or a psychotic break is being reported.

This luncheon is just the beginning! We will return to Tupelo to continue offering help, hope, and solutions!

Thanks for empowering CTN to be a voice for change in a community, and to actively pursue help and hope in the areas God has called us to reach.

We might be in your town next!

Continue to follow CTN to learn about upcoming events and opportunities.

FOUR POWERFUL OPTIONS FOR YEAR-END GIVING

Save on taxes while sharing the Gospel

Your year-end giving empowers CTN to continue producing and airing God-honoring, faith-building television for you ... and viewers everywhere — all while offering you **tax advantages that make for good stewardship**. Consider these strategic options ...

IRA: If you're 70½ years or older, you can make a qualified charitable donation (QCD) of up to \$100,000 directly from your traditional IRA without adding a penny to your taxable income. You'll also get an income deduction for your charitable gift whether or not you itemize your taxes.

If you are age 73 or older, this also counts toward your required minimum distribution. *****Please note: this is up from previous years, where the age requirement was 72.**

Appreciated Assets: By donating property (to include rentals, vacation homes/condos, etc.), mutual funds, or stocks you have held for 12 months or more — rather than selling the asset and donating the proceeds — you may receive a tax deduction for the fair market value of the donated securities up to 30% of your adjusted gross income.

Giving from Donor Advised Fund (DAF): Now is a great time to distribute grants from your DAF to CTN.

Cash Gift: Any generous donation you give to CTN — when dated and postmarked or given online by midnight December 31 — applies toward this year's taxes.

For more information, call our Giving Department at 800-956-7729 and ask for Sharon.
